Help us get to Rio for the opening ceremony on August 5, 2016. Keep track of your tumbling passes and how long you or your friends and family bike, swim, run or walk. Together we’ll work to travel 6,945 miles to reach Rio by August 5, 2016 for the opening ceremony. Record your time or miles on this sheet – bring your sheet in to class and we’ll add you to our total. We’ll also be giving out weekly prizes along the way!
